Is he asleep already?
Since long ago, I make him go to sleep at 8
2 years later
楽しい2年後
I'm home
Welcome back
He hasn't, he loves his dad very much
He hasn't forgotten about me?
Lately, I only see him awake on sundays
Then — Can we be affectionate ?
Really? That's great
Yes, I finished with the documents today
Can you afford to relax a bit today?

Kiss

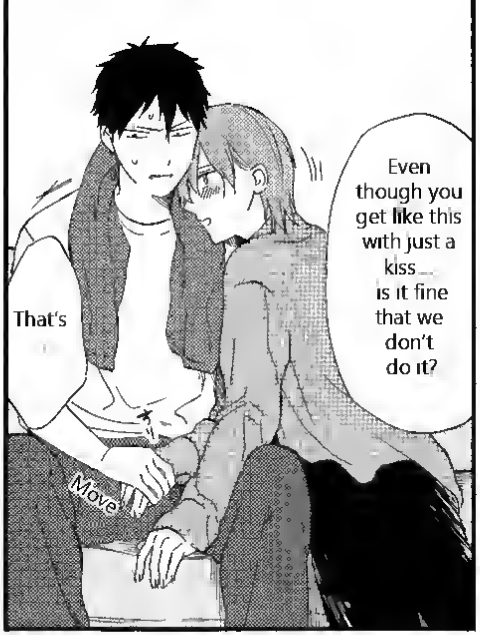
It's not that, but, can you do it?
Huh?
It's been a long time since we've done it, and aren't you tired?
You don't wanna ?
Nh ?
Kei Could it be that we're doing it?



That's
Move
Even though you get like this with just a kiss... is it fine that we don't do it?

Even if we don't do it now I'm fi

I think it's not enough just helping you masturbate sometimes
I'm sorry
I got pregnant immediately, that's why we haven't done it right for 2 years

Kiss
HOLD
I'm fine, it's you...
It's doesn't matter

I know
You're lying, you're saying no
I know, it's just that...
Don't worry, my heat ended a week ago so I'll be fine
It won't be like the last time
PUSH
Huh? I don't want that
.....
HIT
Ouch !
It's been a long time and I feel I won't be able to be gentle, that's why I don't want to

Do it gently
That's what I should be saying
Nh
Move

It's been a long time for me too

Tsugi-tsugu, I love you
I love you a lot
I'm very happy
Your dick feels really good... and I'm very happy

He
Don't laugh! I really
Me too
Kei, I love you

We would've had sex before

You had just had the baby, we couldn't
Yes, but when my heat started again it scared me a bit
We could've had done it when I didn't have it
You, really...
If you forget about it someday it will go away
....That may happen when I'm 50 years old
Hehe
So what?
From now on...
A lot of happiness awaits us

Ah
How boring...
What is?
We learned today in class, didn't we? About Alfas and Omegas
So then ...?
It means
That we can't be partners
Bite? Is that that important ?
If you were an omega, Chie-chan, I'd bite you without thinking it
The chances of me being a Beta were high
Your mom is an Omega, so why aren't you an Omega?

I think that the fact that they live together without being 'partners' is important
Eh
My mom is 'marked' even though my dad's a Beta

I see
So, it's truly not important that they'd be 'partners'

Really ?
Uh
I see

Well... that you and I could do the same is a different matter
What do you mean by that!?

End

・計について
一応美人枠なのですが、生まれつき完璧という訳ではなく
努力でキレイに整えて保っているタイプ。
将来は美魔女（？）

・ご飯について
担当さんに「たまに30代に見える」と言われましたが
24、5歳のつもりでした。
きっと苦労が顔に出た。

・駅人について
個人的には駅人が一番気に入っています。
その境界がゆるされてしまう
社会ことがひどいという話。
